

Checklist: Xylem Water Prize, IJSO 2017

“How do you solve water?”

How to take part in the Xylem Water Prize

- Make a 1-3 minute video in which you answer the question “How do you solve water?”
- To submit your video you will need to upload your video to YouTube. Click [here](#) to read how. We recommend that you set your [video privacy settings](#) to “Unlisted”. Unlisted videos and playlists can only be seen with the direct link and won’t show up in the search results.
- Once you have uploaded your video to YouTube you can submit your video by completing the “Join the challenge” [form](#) on [xylemwaterprize.com](#).
- Print the parental consent letter and have your parents sign it. Scan the letter or take a picture and upload it in the last step for joining the challenge.
- For additional information, please see the official rules on [xylemwaterprize.com](#).

Tips to keep in mind for submission

- Clearly state your answer to “How do you solve water?”
- Your answer(s) can emphasize actions you take personally or through your project for the International Junior Science Olympiad.
- Judging will be based on three criteria: (1) Impact, (2) Clarity, and (3) Creativeness.

Have fun making the video!
